

Red Savina

HEALTHY ATTRACTION

Red Savina

Choose between 15 spaghetti tubes or 4 Golden Sun Ray lamps.

The chrome details make a stunning contrast to the deep red-metallic colour.

The nightlight and illuminated logo invites your clients.

Red Savina - the World's Hottest Pepper is a suitable name for this chilli-red beauty. The stunning red colour is contrasted by chrome details which are highlighted by the illuminated logo and decoration light. This colourful unit is not only a beauty but an excellent quality sunbed equipped with all the features needed for demanding professional use. The Red Savina is fitted with 38 full length tubes, (100W or 160W) and additional booster tubes for the arms. For extra face tanning - choose between spaghetti tubes or Golden Sun Ray lamps. Features like central filter and QUICK-LOCK™ makes everyday life so much easier.

Made in Sweden
